## Fellow: Association of Global Science Innovations (AGSI)

### Fellowship Types

FELLOW in Association of Global Science Innovations (FAGSI)

INTERNATIONAL FELLOW in Association of Global Science Innovations (IFAGSI)

HONORARY FELLOW in Association of Global Science Innovations (HFAGSI)

### Fellowship Details

#### FELLOW in Association of Global Science Innovations

Fellows shall have all the rights and privileges of membership, to hold office and serve on any committee of the Society excluding the right to vote.

To qualify as a Fellow, an applicant shall.

- ☞ Submit letters of recommendation from two (2) Fellows familiar with the applicant;
- ☞ have served a minimum of two (2) years as a member of the society;
- ☞ have specialized in their field for at least two (2) years immediately preceding application for Fellowship.
- ☞ meet such other criteria as the Executive Council shall establish and publish;

A Scientist who does not meet the criteria set forth above may be nominated and elected to Fellowship by the unanimous affirmative vote of the Executive Council if such scientist has made exceptional contributions to the advancement in the field of science, innovation and technology.

**Example: Dr Surya Krishnan M.Sc., M.Phil., Ph.D., FAGSI**

#### INTERNATIONAL FELLOW in Association of Global Science Innovations

International fellows have all the rights and privileges of membership, excluding the right to vote at the Annual Business Meeting and to hold office. International Fellows may serve on any committee of the Association.

To qualify as an International Fellow, an applicant shall ...

- ☞ Meet all the criteria for Members as attested to by letters of recommendation from two (2) Fellows familiar with the applicant. These letters must attest that at least 50% of the applicant's research activity is devoted to the practice of Science, innovation and technology;
- ☞ Depending on the applicant's education, training and research activities, this requirement may vary.
- ☞ have served a minimum of two (2) years as a member of the Society, and

☞ meet such other criteria as the Executive Council shall establish and publish.

A Scientist who does not meet the criteria set forth above may be nominated and elected to Fellowship by the unanimous affirmative vote of the Executive Council if such scientist has made exceptional contributions to the advancement in the field of science and Nature.

**Example: Dr Surya Krishnan M.Pharm., Ph.D., IFAGSI**

**HONORARY FELLOW in Association of Global Science Innovations**

An Honorary Fellow shall not be required to pay annual dues, fees or assessments, and shall not vote or hold office, but may serve on special committees, appear on scientific programs of the Association and participate in discussions of scientific papers.

To qualify as an Honorary Fellow, an applicant may be recommended by unanimous vote of the Executive Council for those Scientist who have made a contribution to the advancement of science, innovations and technology or has achieved eminence in a specialized field of science, innovation and technology.

**Example: Dr Surya Krishnan M.Tech., Ph.D., HFAGSI**
